Dear Parents/Carers,

Happy New Year to our families.

It was lovely to welcome the children back to school on Tuesday. I hope everyone had a relaxing break. The children have enjoyed being back together and playing in the ice and snow!

On Monday we had an excellent training day for teachers. We began the day with some important updates from our Director of Inclusion. We then had two speakers in to discuss the Relational Approach and updates to this. There will be more information to follow for parents this term.

We are looking forward to the new term and the opportunities that it will bring for our children.

Miss Sara Leggott  
Head of School  
Brayford Academy

## Why is Attendance important?

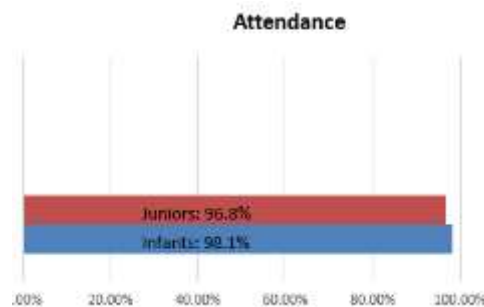

Regular attendance in primary school is crucial for a child's academic success and overall development.

Every lesson builds on the previous one, and missing school can cause gaps in understanding, making it harder for students to keep up with their peers.

Consistent attendance also helps children develop important social skills, such as teamwork, communication, and problem-solving, which are essential for their emotional growth and future success.

Additionally, being present in school fosters a sense of routine and responsibility, helping children build good habits that will serve them well in later life.

Attending school regularly lays the foundation for both academic achievement and personal growth.
