Dear Parents/Carers

The children enjoyed a visit from James from Devon Cricket on Monday afternoon. He spent time with both classes teaching them some basic cricket skills. If your child wants to do more cricket sessions in the future, then please visit <https://www.ecb.co.uk/play/all-stars/> for more information.

The infant class spent the day at RHS Rosemoor Gardens yesterday where they took part in a workshop learning about animals and their habitats. They explored the gardens, looking for signs of animals and spotted squirrels and birds in the trees. The children explored the woodland area, looking under rocks and logs, to find; woodlouse, beetles, snails and much more. We also made our own little class insects using natural materials. We then had a lovely picnic lunch under the canopy followed by our walk around Rosemoor, collecting interesting objects for our 'Journey stick'. The children really enjoyed being outside in nature, spotting animals and learning about their habitats.

A trip is being planned for the Junior class linked to their Tudor topic for later in the term.

As Covid restrictions continue to ease, we are looking forward to being able to hold events at school for the children. We hope to be able to run a **sports day** this summer and a provisional date for this will be **Wednesday, 7th July**.

Friday Flapjack is back!! Mrs Cook has kindly offered to make the flapjack for Friday snack time. The children will not need to pay for this treat but please let us know if you do not want your child to have a piece by contacting Mrs Jones in the school office.

Best wishes

Corrinne Smith
